President of Kraft Foods Rus discusses doing business in Russia

Posted: 01 Aug 2011 01:03 PM PDT

More than 18 years ago, Kraft Foods opened its first Moscow office, offering a variety of products and introducing brands that now are distributed through all Russian trade channels from big discounters to kiosks and restaurants and can now be found in almost every Russian household.

Siemens Russia president discusses new projects with Skolkvo, Sinara

Posted: 01 Aug 2011 04:08 AM PDT

Siemens, Europe's largest industrial conglomerate, is also one of the leading foreign investors in Russia. In 2009, despite being in the midst of an economic crisis, the company announced it

would ramp up its investments in Russia by more than €500 million (\$715 million).

Biotechnology start-up wins Expert magazine innovation award

Posted: 02 Aug 2011 01:37 PM PDT

Driving modernization is a cross-industry effort in which media outlets often play a strong role by promoting new scientific or technological advances. Russia's Expert magazine takes this one step further with its annual innovation contest, which connects promising young Russian scientists with forward-looking investors who have the capital to commercialize their ideas.

Poste Italiane on collaboration with Russian Post

Posted: 03 Aug 2011 08:33 AM PDT

When Post Italiane and Russian Post launched a partnership to modernize Russia's postal service at the Troika Postal Forum in June 2011, it was in a climate of friendship and harmony that has existed for many years and which is reflected in numerous joint initiatives in the economic, social and cultural spheres.

(CCGT) at Sredneuralskaya GRES near Yekaterinburg in Russia's Urals region.

The new facility was inaugurated via teleconference by Prime Minister Vladimir Putin, Deputy Russian Energy Minister Andrei Shishkin and International Division Head Enel Carlo Tamburi.

Tamburi reiterated the company's commitment and contribution to the Russian energy sector:

Access Russia: Intel's Craig Barrett is betting on Russia's tech boom

Posted: 04 Aug 2011 01:28 PM PDT

Modern Russia recently spoke with Craig Barrett on the sidelines of the **Access Russia conference** at the Computer History Museum in Silicon Valley. As the retired CEO/Chairman of Intel Corporation, Barrett now devotes much of his time to Russia, serving as the International Co-Chair of the Skolkovo Foundation Council. More coverage of Access Russia can be viewed in **this CNBC broadcast interview** with Craig Barrett and fellow panelist Igor Agamirzian, CEO of Russian Venture Company.
